---

### Series Objectives:

- Review different types of cardio-renal syndrome in order to develop appropriate therapeutic plan
- Apply appropriate therapeutic strategies in order to improve outcome in patients with cardio-renal syndrome
- Review pathophysiology and diagnostic algorithms of heart failure with preserved ejection fraction in order to apply contemporary treatment in appropriate patient population.

### Learning Objectives:

*At the conclusion of this activity, participants should be able to:*

- Recognize the different types of cardio-renal syndrome
- Recognize the pathophysiology of the different types of cardio-renal syndrome
- Discuss predisposing factors of cardio-renal syndrome
- Discuss prevention and treatment of cardio-renal syndrome
- Define different classifications of heart failure based on ejection fraction
- Review the pathophysiology of heart failure with preserved ejection fraction
- Examine different diagnostic algorithms for the diagnosis of heart failure with preserved ejection fraction and the use of validated risk scores
- Summarize contemporary treatment of heart failure with preserved ejection fraction

**Accreditation Statement:**

This activity was planned and implemented in accordance with the accreditation requirements and policies of the Ohio State Medical Association (OSMA) through the joint providership of Mercy Health – Toledo Continuing Medical Education and Ohio Orthopedic Society. Mercy Health – Toledo Regional Continuing Medical Education is accredited by the Ohio State Medical Association (OSMA) to provide continuing medical education for physicians.

**Evaluation Reminder:**

Mercy Health – Toledo Regional Continuing Medical Education currently DOES NOT require the completion of a post-activity evaluation for credit. As an accredited CME program, we are required to evaluate the effectiveness of our activities and your evaluations help us in doing so. **Voluntary completion of evaluations on a regular basis will help ensure we won't have to make evaluations mandatory for all activities in the future.** Thank you for your feedback!

**Credit Designation:**

Mercy Health – Toledo Regional Continuing Medical Education designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

**RNs and LPNs**

The Ohio Nursing Board will accept a continuing education activity that has been approved or provided by a nationally recognized accreditation system of continuing education. The amount of continuing education credit designated on a certificate issued by the provider or approval body will be the amount accepted by the board.

**PAs**

The National Commission on Certification of Physician Assistants (NCCPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credits*<sup>™</sup> from organizations accredited by the ACCME or a recognized state medical society.
